"Let all cats old enough to run in the tallest grass join me beneath Jagged Stones for a Clan meeting!" Yowled Pinestar. Marigoldtail groomed her two kits. "Hurry along." She murmured, nudging her kits. Goldenkit and Marblekit made their way outside to the Jagged Stones to their father.
"We have two kits who have reached their sixth moon." Pinestar smiled down at his kits. "Goldenkit, step forward." Pinestar announced.
The brown tomkit jumped a little as he heard his father call his name, he stepped forward.
"Goldenkit, from this day forth, you shall be known as Goldenpaw. You will be mentored by our medicine cat, Hurricanetuft." Pinestar smiled. Goldenpaw rushed to his new mentor, touching noses with him. Marblekit's pelt prickled with excitement and nervousness.
"Marblekit, from this day forth, you shall be known as Marblepaw. Your mentor will be our deputy, Lionbreeze."
Marblepaw turned to the deputy sitting beside the Jagged Stones. Marblepaw approached the deputy. The two touched noses.
The Clan cheered their names.
"Goldenpaw!"
"Marblepaw!"
Blossomkit, Marblepaw's previous denmate, ran to her and hopped onto her. "I'm so proud of you!" Blossomkit squealed.
Marblepaw felt a mix of emotions in her mind and heart.
"It'll be *your* turn next..." Marblepaw smiled.

Goldenpaw and Marblepaw headed to their new den, five apprentices, Whirlpaw, Leopardpaw, Lionpaw, Cheetahpaw, And Jaguarpaw, waiting there to greet them. "Welcome to the apprentices den, you two!" Leopardpaw greeted, her rosy tail swaying.
"Here we have a training wall,"
"And a secret place where we keep prey!" Squeaked Lionpaw. The four other apprentices shushed her. "Don't tell Pinestar." She

mewed.
The seven apprentices went into the den and slept.

In the morning, Pinestar called for another meeting.
"*Another* naming ceremony? Not even one moon after last nights?" Cheetahpaw grunted, getting up.
Marblepaw walked outside to see Tawnykit, Blossomkit, and Cloverkit standing at the Jagged Stones. "...and Blossompaw will be mentored by Oceanheart." Pinestar finished. *She won't be left alone without me!* Marblepaw smiled widely, purring. "Blossompaw! Tawnypaw! Cloverpaw!" The Clan cheered. Blossompaw reached Marblepaw. "This will be fun training together..." Blossompaw purred, slipping her head beneath Marblepaw's chin.
Here comes that feeling again...
